Perfect Pumpkin Pancakes

Yield: 12 servings

Ingredients

2 cups flour  
2 tablespoons brown sugar  
1 tablespoon baking powder  
1 1/4 teaspoon pumpkin pie spice  
1 teaspoon salt  
1 egg  
1/2 cup pumpkin (canned)  
1 3/4 cup milk, low-fat  
2 tablespoons vegetable oil

Instructions

1. Combine flour, brown sugar, baking powder, pumpkin pie spice and salt in a large mixing bowl.

2. In a medium bowl, combine egg, canned pumpkin, milk and vegetable oil, mixing well.

3. Add wet ingredients to flour mixture, stirring just until moist. Batter may be lumpy. (For thinner batter, add more milk).

4. Lightly coat a griddle or skillet with cooking spray and heat on medium.

5. Using a 1/4 cup measure, pour batter onto hot griddle. Cook until bubbles begin to burst, then flip pancakes and cook until golden brown, 1 1/2 to 2 1/2 minutes. Repeat with remaining batter. Makes about 1 dozen 3 1/2 inch pancakes.

Notes

If you don't have pumpkin spice on hand, don't worry - it's just a combination of cinnamon, nutmeg, ginger, and cloves. In this recipe, you can substitute 3/4 teaspoon cinnamon, 1/4 teaspoon nutmeg and 1/8 teaspoon each of ginger and cloves for the pumpkin pie spice.

Remaining pumpkin puree can be frozen in an air-tight container for 1 to 2 months.

Safety Tip: You can be sure your skillet or griddle is hot enough for pancakes without burning your hand. Just sprinkle a few (3 or 4) drops of water on the surface. If they dance and sizzle, you are ready to cook. Be sure handles of skillets and pans are always turned toward the center or back of the stove, to prevent the pan from catching on hands or clothes and causing burns.

1 cup green peas (frozen)
1 cup bread crumbs (fresh)

Instructions

1. Preheat oven to 350 degrees.
2. Bring 1 quart of water to a boil in a large pot and cook the egg noodles in the water for 2 minutes.
